

1st International Meeting: Paris, the 21st and 22nd January 2006

The first International Meeting of the AGIS programme took place in Paris, at the Alésia IBIS hotel, the 21st and 22nd January 2006.

At this occasion the partners had the opportunity to meet themselves for the first time, to present and define together the program's guide lines.

The discussion between the partners allowed defining a list of some important issues to establish the situation analysis on the condition of the hearing of children victims of sexual violence and/or ill-treatments.

During this Meeting, the partners had established the agenda of the work to be done in the following months and they have fixed the date of the next International Meeting in London, the 22nd, 23rd and 24th September 2006.
